## **“PUT FLESH ON THE BONES”**

God had plans for Israel’s restart. All the prophets recorded God’s ideas in detail. Ezekiel describes the decimation of Israel as a **Valley of Dried Bones**.

Then, at God’s command, spoken through the prophet, the **Bones** began to snap together in a great noise. The ligaments and sinews were commanded.

Then flesh came back to the **Bones** to form the completed figure.

The prophets spoke these commands. Ezekiel was command to speak **life** to the **Bones**.

It appeared as though there was no life left when the Valley was simply full of sun-bleached bones. Only a residue was left of the former nation. But, when God said **Live...life** came back!

Much the same when there was only darkness upon the face of the deep in Genesis.

We must remember that all Creation began with the command of God’s Word.

“Speak the Word only, and my servant shall be healed.”  
(Matthew 8:8)

These are the words of the Roman Centurion who asked for Jesus’ help.

This is what we are saying: “Lord Jesus, speak the Word only and all will be restored!”

This is our prayer!

Restart the Body of Christ and the United States; all nations will be restarted thereby!

### Challenge Reminder:

**Read five chapters in the Word and pray in tongues for 30 minutes.** "Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
