

# PREPARE A PLACE

STEWARDSHIP

Dear Saints and Faith Landmarks Family Members,

David wanted to build a **house of worship** for the Lord. Instead, God used him to establish the Throne of David eternally.

The prophecy to do this shifted the Vision from a physical location to a spiritual, eternal Kingdom.

Jesus, as the Son of David, is returning to claim the Throne; the Anti-Christ, will be stopped from his quest.

God shifted the emphasis from a natural seed, David, to **The Seed**, Jesus Christ.

Similarly, we are working on the Building that has a "true foundation, whose builder and maker is God."

David caught the Vision. He saw Mt. Zion. That's us – **The Church**.

David then made the Tabernacle of David on Mt. Zion - A place for the worship of God that was not based on the continual reminder of death and sin. The revelation of the high praises of God was instituted as an alternative to the blood of bulls and goats.

All of this was prophetic! David was **Preparing A Place!**

Today, we are fulfilling God's Vision of a nation of priests and kings who will worship God in Spirit and in Truth. We have accepted the sacrifice that Jesus paid at Calvary.

Gone is the rehearsal of sacrifice for the last year's sin.

Now, we praise Him in freedom! Gone are the **shackles** of sin and death. We are now acting out what David saw. We are Mt. Zion!

The Price was paid and we thank Him for a **finished work!**

All of this is New Testament!

As a church body, we too have a physical place of Worship. We have gathered as a Body of Believers, completing 40 years, lifting up the name of Jesus.

We have a **physical building** built by Praise and Faith.

As we gather in this place, we are building 'a place' in the Heavens.

I want to ask you to begin to pray about your part.

Will you participate? Will you take your **place?**

I want to ask you to pray about a financial commitment to be made on Commitment Sunday, May 23, 2021.

We, as a church family, are accepting the **challenge** to be faithful over this Vision.

Our stewardship campaign is like any other preparation that must be made for the Return of our King, the Lord Jesus Christ.

On Victory Sunday, we will **shout** the Victory of our faith, saying, "We have the vision." We accept the **challenge**. Like David, we are **Preparing A Place**.

On Victory Sunday, and for the next 52 weeks, we will bring in financial offerings over and above our regular tithes and offerings.

Our Faith and Praise takes on a tangibility!

As we gather in this place, we are **Preparing another Place!** Our facility is the Place where we gather to Praise and Worship – to lift up the Name of Jesus.

Our phrase "not equal gifts, but equal commitments" describes the uniformity of our spiritual lives.

When Jesus was training His Disciples, He told of the practicality of mounting an effort to **build** a building, or lead an army.

Jesus said, "Who does not first sit down and count the cost?"

He was referring to who among them could be counted on to make a commitment.

Included are a list of goals, and their approximated cost.

Pray about your part!

We will **see** you on Mt. Zion!
