### “Gladness”

Psalm 122:11 was glad when they said unto me, let us go to the house of the Lord!

Gladness belongs to us in Christ Jesus. The psalmist is describing the anticipation of looking forward to an event. **Let us go....**

We are glad because of what Jesus has already done for us. We look forward in anticipation of walking in His blessing.

He has blessed us with all spiritual blessing in Christ Jesus. We are inheritors of the Kingdom of God.

People in the world do experience gladness. It is often about seeing good things coming for them – these things are always of a temporal or superficial nature.

Our gladness is more akin to Joy! Joy is a spiritual force, like love, that is generated by our spirit.

Our gladness is not based on temporary good fortune. We have been blessed. It is already done! Now, we look forward in hope of all the good things God has in store for us.

Our gladness is not an emotional response. We can see the good things coming and look with **hope** and anticipation for these good things coming upon the earth.

We awake daily with **gladness!** We already know what the day will bring. Goodness and mercy will follow us! It also precedes us and resides in us. We are already confident of the outcome.

### Challenge Reminder:

**Read five chapters in the Word and pray in tongues for 30 minutes.**

*"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27*
